

Education

IEC College of Engineering and Technology B.Tech(Computer Science & Engineering)	Greater Noida, India June 2023 - July 2026
Chhotu Ram Rural Insitute Of Technology Diploma(Mechanical Engineering)	New-Delhi,Delhi Aug 2019 - July 2022

Skill Summary

• Frontend Technologies:	React.js, JavaScript, SCSS, Tailwind CSS, GSAP, Responsive Web Design
• State Management:	Redux Toolkit, React Hooks, Context API
• Web APIs & Tools:	REST APIs, Local Storage,Fetch API
• Version Control & Dev Tools:	Git, GitHub, NPM, Vite, Chrome DevTools, Vercel
• Performance & UI/UX:	Lazy Loading, Infinite Scrolling, Debouncing
• Core Concepts:	Responsive Web Design,DOM Manipulation, Component-Based Architecture
• Languages:	JavaScript, Python

Projects

1. **Mac-OS** | React.js, Vite, SCSS,React Hooks
 - Engineered a MacOS-inspired desktop environment with interactive windows and responsive UI components.
 - Built desktop applications including Notes, Gallery, Music Player, and Calculator using reusable React components.
 - Implemented dynamic state management, smooth animations, and desktop-style navigation using React Hooks.
 - Optimized component architecture for scalability, maintainability, and enhanced user experience.
2. **K72 Clone** | React.js, GSAP, Tailwind CSS
 - Developed a pixel-perfect clone of the K72 website using React.js with responsive and interactive UI.
 - Integrated smooth animations and scroll-based effects to deliver an engaging user experience.
 - Built reusable components and optimized rendering for maintainable and scalable development.
 - Ensured seamless performance and responsiveness across desktop, tablet, and mobile devices.
3. **Reel UI Module** | HTML,CSS,JavaScript,DOM Manipulation
 - Developed a reels-style content interface with dynamic content rendering and interactive user controls.
 - Implemented event-driven functionality, smooth transitions, and responsive layouts for seamless navigation.
 - Optimized user engagement through modern UI design and mobile-first responsiveness.
 - Built reusable UI sections and efficient DOM manipulation to improve performance and maintainability.

Certificates

Website-Development Certificate — IBM Skill Build	Issued - 2025
JavaScript Certificate — HackerRank	Issued - 2026

Achievements

- Developed and deployed multiple frontend projects using React.js, JavaScript, and modern web technologies.
- Built interactive web applications including a macOS-inspired desktop environment and a 3D animated website.
- Completed industry-recognized certifications from IBM SkillsBuild and Forage in Web Development and Data Analytics.
